

The board has made changes in the staffing procedures for the upcoming season.

1. All prospective employees must apply, even if they previously worked at PVAC in past summers.
2. There will be one head guard position that will be assigned and rotated per schedule. If interested in serving in this role, please include that in the application. This new position will replace the past Assistant Manager positions. The head guard will make \$14.00 per hour for managerial duties during the day. Head guards will serve as guards in the rotation as well. Appointment of head guard position will be done so at management/board's discretion.
3. Regular lifeguard positions are available at the rate of \$12.00 per hour for the 2024 season. Substitute positions may also be available.
4. Current certifications must be available at the time of employment.
5. Apply online through the website by February 29<sup>th</sup>. Once the management/board members review received applications, guards will be contacted for a brief interview.
